WOMEN'S EMPOWERMENT ADVOCATE

Embracing Sexuality as a Path to Authentic Self-Discovery

Nita shares her powerful journey of transforming her conservative upbringing and embracing her sexuality to find true authenticity. This talk explores how women can overcome societal shame, reconnect with their desires, and use sexuality as a means to self-discovery and empowerment.

Takeaways:

- Techniques to overcome societal shame and conditioning around sexuality.
- Steps to tap into one's authentic self through embracing desires
- The transformative power of reclaiming personal sexuality for self-confidence and life direction

Financial Independence Through Unconventional Entrepreneurship

Drawing from her own experience of building a multimillion-dollar empire, Nita reveals how women can achieve financial independence through unconventional and often overlooked entrepreneurial paths. This inspiring talk provides actionable insights for women on creating revenue streams and building businesses that reflect their unique identities and passions.

Takeaways:

- Understanding the unique opportunities in unconventional entrepreneurial spaces
- Practical strategies to achieve financial independence
- How to build a business that aligns with personal values and empowers others

The Sacred Balance: Embracing Faith, Sexuality, and Self-Empowerment

In this insightful talk, Nita discusses her personal journey of reconciling her faith with her work in the adult industry. She explores how women can embrace their spiritual beliefs and sexuality simultaneously, breaking down the barriers that often prevent them from fully expressing their true selves.

Takeaways:

- Strategies for reconciling faith and personal empowerment journeys
- Understanding the role of self-love in spiritual and personal growth
- Steps to cultivate a healthy relationship with one's body and identity

ABOUT NITA

Nita Marie is a top 1% earner in the adult modeling industry, and unapologetic advocate for women embracing their sexuality and authentic selves. After transforming her own life from restrictive beginnings to building a thriving business and helping over 500 women achieve similar success, Nita is a sought-after speaker who inspires audiences to break free from societal constraints and reclaim their power.

Through raw storytelling and actionable insights, Nita empowers women to redefine life on their own terms, blending personal growth, self-love, and financial independence in a journey of transformation. As the founder of Sacred Butterfly Empowerment, she creates safe spaces for women ready to embrace their full potential and fly free.

When she's not speaking or coaching, Nita can be found exploring new adventures, enjoying spicy novels, or reveling in the creative freedom she's worked so hard to reclaim. Any idea when we'll have all the design elements for the brand btw? We need to get going with some graphics for her for social and online.
